## **Affirmation regarding the authorization for the Swedish Hang Gliding Association to issue licences for hang gliding**

Dear Mr Kunschitz,

By this letter, the Swedish Transport Agency confirms that the Swedish Hang Gliding Association is authorized to issue licences for hang gliding. According to paragraph 5 in the national regulation Luftfartsstyrelsens föreskrifter (LFS 2007:60) om flygning med hängglidare, “the licence is issued by an organisation to which the Swedish Civil Aviation Authority has delegated tasks and authority for such flight activities that embrace these regulations”. The legal frame for the Swedish Transport Agency to delegate the authority to issue licences for hang gliding is stipulated in chapter 12 section 1 and 8 of the Swedish Aviation Act (2010:500) and in chapter 12 section 1 and 4 of the Swedish Aviation Ordinance (2010:770).

Attached this letter you will find the agreement between the Swedish Transport Agency and the Swedish Hang Gliding Association.

Best regards,

Gunnar Ljungberg  
Head of Operator Unit, Maritime- and Civil Aviation Department
